Harlan J. Berk Ltd. has presented a new innovation in numismatics. The system is simple. When you want a coin in the sale, just bid the estimated price by phone or mail. We will send you the coin immediately prior to the closing of the sale. Any and all coins not sold before the closing date will be sent to the highest bidder on September 6, 1984.

EXAMPLE - You bid estimate on a coin valued at \$100.00 and your bid is \$75.00 to receive, you will receive the coin immediately. If on the other hand, you bid \$75.00 on the same coin and are still the high bidder at the end of the sale, the coin will be mailed to you on the closing date, September 6, 1984.

Illinois residents please expect to pay a .0525% Illinois Sales Tax. It is not our law, it is the State's.

If you are away in the area, stop in and see us! We are only five minutes away from Interstate I-55 or I-90. Of course, it's best to call first.

NOTE: Minimum Bid on Gold is 60% of estimate.

AMERICAN COMMITTEE FOR TANGIBLE ASSETS
ACTA • 650 W. Colfax Ave., Denver, CO 80204

We support ACTA (for collectors). ACTA is an arm of ICTA (for dealers). Both are legitimate organizations lobbying for all of our benefit.

We believe every collector should support ACTA — so that we can keep the economic freedom that's our right in this country.
